BSCR NEWS - GENERAL

End of Year Thanks

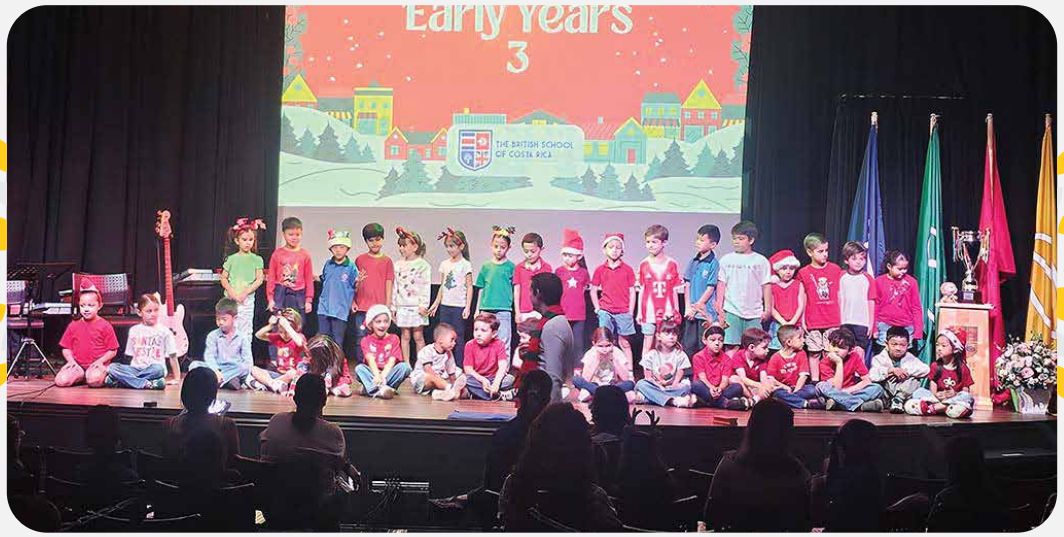
We would like to express our sincere gratitude to all members of our learning community that have made this such a successful year at The British School. In addition to our wonderful students and parents, we would particularly like to thank our staff members for their hard work and professionalism in consistently providing our students with high-quality learning experiences on a daily basis. We would also like to express our gratitude to all departing students and staff members and we wish them the best of luck with their next steps. To all members of our learning community we wish you a happy, healthy and enjoyable vacation period and we look forward to the start of the 2027 academic year.

Taekwondo Club – Belt Promotion Ceremony

We would like to congratulate our Taekwondo Club students on their participation in the Belt Promotion Ceremony, a very special occasion that celebrates their progress and achievements in this martial art. This ceremony reflects the hard work, discipline, perseverance and commitment our students have demonstrated throughout their training. We are incredibly proud to see their growth and the way they continue to develop essential skills and values through the practice of Taekwondo. Congratulations to all our students on this important achievement, and to their instructor for supporting and guiding them throughout their journey!

Choral Assembly - Goodbye Francis

The last assembly of the academic year was a wonderful mix of Christmas Carols, House Point totals for the quarter and a very special goodbye! Our beloved Francis was invited as a surprise guest of honour where she was showered with love, affection and recognition for her outstanding service to the school. Thank you to the whole parent community who were represented by a small group of representative parents spanning EYS to Secondary who accompanied us during this special occasion.



Year 5 Final Assembly

Monday witnessed the final act for Year 5 in terms of their time in Primary. A wonderful combination of music, public speaking, singing and even a sketch in German, to showcase what has been learnt in personalised learning periods, provided a wonderful finale for the last Monday assembly of the year. Year 5, you will be greatly missed!

It is with great joy that we share that our Year 12 student, **Santiago Calvo**, ranked among the top 100 admission scores for the University of Costa Rica (UCR)—out of more than 48,000 students who took the exam—an extraordinary recognition of his talent and dedication. We also congratulate 11 students from Year 11 and Year 12 who achieved a score of over 700 out of a possible 800 in this rigorous process:
