## BSCR NEWS - GENERAL

### Educational Fair

Thank you to all members of our Learning Community who visited our stand at last weekend's Feria Educativa which was held at Terrazas, Lindora. If you, or somebody you know, would like more information about our admissions process please contact [admissions@bscr.ed.cr](mailto:admissions@bscr.ed.cr).

### Children's Day

To celebrate Children's Day on Tuesday the 9th of September we invite all of our students to attend school in non-uniform.

### Gymnastics Success

Congratulations to Javier Ugarte Jiménez (EY3A) for finishing in first place in his category (Yellow - Ages 5-6) at the National Gymnastics Championship which took place last weekend.

### Year 4C Assembly

On Monday, we celebrated the Day of the Black Person and Afro-Costa Rican Culture during an assembly led by Year 4C. Using their own presentation and acting skills, the students shared their enthusiasm and newly acquired knowledge on the topic. We learned about the importance of equality and respect for each culture's traditions, which is a major part of the Costa Rican community.

### Year 5 Transition to Secondary

Our Year 5 students have begun their transition to secondary school, by participating in several lessons with Year 6 teachers. This experience allows them to share, learn, and create a bond that prepares them for this important step in their school life.

## BSCR NEWS - SECONDARY

### Rancho Biriteca

On August 20th, Year 6 participated in an Estudios Sociales field trip to Rancho Biriteca in Quitirrisí de Mora. The students had the opportunity to speak with several indigenous people, who had prepared various workshops for them, such as archery, corn grinding and tortilla making over a wood fire, natural dyes, and the use of cacao, among others. The students thoroughly enjoyed the morning as they learned about Costa Rica's cultural history.

### Costa Rican Olympiad - Informatics

Congratulations to Luisa Rodríguez and Emiliano Robalino (Year 9) on qualifying for the final of the Costa Rican Olympiad in Informatics (OCI), after achieving second and third place, respectively, in the second stage of this prestigious national competition.
