BSCR NEWS - EARLY YEARS & PRIMARY

Library Challenge

This year, all primary classes participated in the Library Challenge. In this challenge, throughout the year, each class accumulated points between 0 and 5 according to 7 parameters that are linked to the school's values. The parameters are: Silence during reading times and activities; leaving shelves tidy after taking out or putting away books; returning books on the due date; presenting the ID Card; returning books in good condition; maintaining order and cleanliness; creativity, honesty, and active participation in the activities carried out in the library during visits.

We want to congratulate this year's winning class, with a total accumulated score of 432 points: Year 2B!. We thank and congratulate all the teachers and students for their commitment, disposition, and effort throughout this year. Which class will win in 2026?

We request the collaboration of parents and guardians to verify that students return all primary library books they have at home before November 26th. Books not returned within this deadline will be sent for collection/invoicing. We invite all students, boys and girls, to design a moustache using recyclable materials or drawn and bring it on Friday, November 21st, for the celebration of International Men's Day.
