BSCR NEWS - GENERAL

Last day of classes for Early Years 1 to Year 9 Students

The last day of classes for all students from Early Years 1 to Year 9 is Wednesday 26th November. Please note that all classes will end at 12 noon on this day.

BSCR NEWS - EARLY YEARS & PRIMARY

Cambridge Examinations Certificate Ceremony

Two ceremonies have been recently held in which Year 2 and Year 4 students received their certificates for their successful participation in the Cambridge Exams. Congratulations to all those involved, we are very proud of you!

Year 5 Passion Projects

On Friday of last week our Year 5 students presented their passion projects. The pupils have been exploring the theme of fairgrounds as part of the Forces unit, and the fantastic models that they created reflect both their understanding of the scientific concepts and their creativity in design. Throughout the presentations the students demonstrated a clear grasp of how different forces operate within moving mechanisms, and it was a pleasure to see them confidently explain their thinking and the processes behind their work.

Year 2A Assembly - Holiday

Year 2A presented a dynamic assembly all about holidays on Monday of this week. They shared different places to visit, what the weather is like, what clothes to pack, and how to stay safe and enjoy a trip. Their enthusiasm made it a fun and informative presentation for everyone.

LightHouse Model United Nations

Last weekend, 6 students from the BSCR Model United Nations Club participated in the LightHouse Model United Nations. The delegation received several recognitions:

- Best Delegate: Lucía Herrero Chavarría (Y10B)
- Honorable Mention: Arturo Latuche Araya (Y10C)
- Verbal Mention: Gabriela Martínez Arana (Y10B), Leila Campabadal Chavarría (Y10C) and Mariana Chartier González (Y10C).

We would also like to recognize the valuable participation of Camila Vázquez Sandí (Y10A) for representing us in this enriching experience.

Year 12 IB Graduation and Next Steps

On Wednesday of this week our Year 12 IB students formally graduated from the British School in a highly enjoyable ceremony. We would like to congratulate each of our IB graduates on their hard work, focus and commitment over the last two years and we wish them the best of luck with their next steps. Year 12 students may access their final IB grades in the middle of December, using the information sent by Ms. Christensen by email.

TOK Exhibitions

On Wednesday of this week our Year 11 students presented their TOK exhibitions to staff members, our Year 10 students and students and staff from Pan-American School and LightHouse International School. We would like to congratulate each of our Year 11 IB students, whose rigor, creativity, and commitment were essential to the success of the exhibitions. Their ability to construct thoughtful reflections, present meaningful objects, and engage in dialogue with the audience showcases the intellectual maturity and critical spirit the IB programme seeks to cultivate.

Service Learning

The Y7 project aimed to raise awareness about the rights and well-being of people with disabilities. To develop their project, they had the opportunity to visit and spend time with the users of CAIPAD ACIOSA. This NGO contributes to the inclusion of more than 42 adults with disabilities. During their visit, they led physical, artistic, and recreational activities that greatly contributed to their overall development. They also donated a speaker and microphones, which will allow them to carry out their activities effectively. Both our Y7A and Y7B students and the ACIOSA users enjoyed this activity.

For their part, Y8B concluded their project at the Calle 8 Camp of the Chepe se baña Foundation. This project focuses on promoting social awareness and respect for human dignity among people experiencing homelessness. During their visit, the Y8B students carried out activities aimed at meeting basic needs such as food, preparing sandwiches and slushies that were very welcome on a sunny morning. They will also be delivering the donations they collected as part of the project, mainly clothing and hygiene items. This arduous task allowed them to witness firsthand the reality of many people experiencing homelessness in our country, as well as the efforts made by the organizations and volunteers who support this population every day.
