## BSCR NEWS - GENERAL

### Health Week

Thank you to all members of our learning community who participated in the various Health Week activities that took place this week. We would particularly like to thank the students and staff members whose hard work planning the activities made it such a success. Please see our social media pages for photos.

## BSCR NEWS - EARLY YEARS & PRIMARY

### Financial Literacy - Get Rich!

Year 4 and 5 had lots of fun whilst learning about why money matters last week, as they took part in a financial literacy online gamification pilot project. The activity aligned nicely with our P.S.H.E curriculum and helped reinforce key concepts linked to all matters related to managing their own finances.

### Primary Photography Contest

The primary library is delighted to announce the winners of the photography contest. It was a very close call, and children and teachers from Early Years to Year 5 had the opportunity to vote for their favorite. You can find a presentation with the final results at the following [link](#). Thank you so much to everyone who participated, and we hope it was a fun and enjoyable experience for each of you and a fond memory for everyone.

## BSCR NEWS - EARLY YEARS & PRIMARY

### Year 3 Family Day Assembly

Year 3 students did a wonderful job sharing special messages, songs, and performances to celebrate the importance of family, love, and togetherness during their Family Day Assembly on Monday. We are very proud of the confidence, effort, and enthusiasm that they displayed throughout the presentation.

### Dinosaurs in the Primary Library

This week, the Year 4 groups, under the guidance of Teacher Adi, conducted research on the recent discovery of Mastodon and Giant Sloth fossils in Costa Rica. We will be holding an exhibition about this discovery in the library during the month of May. We invite our students to visit the library and participate in the Comics and/or Drawing Contests inspired by the theme: The Adventures of Pitán, the Mastodon, and Tobi, the Giant Sloth in Costa Rica. You can bring your creations to the library before June 6th.

## BSCR NEWS - SECONDARY

### Humboldt Model United Nations

Last weekend, six students from the BSCR Model United Nations Club participated in the Humboldt Model United Nations with Sofía Martínez Munive (Year 10) receiving a verbal mention. We would also like to recognize the valuable participation of Joanna Yongen Chin (Year 6), Winny Chen Wu (Year 7), Arturo Latouche Araya (Year 10), Arianna Martínez Munive (Year 10), María José Alfaro Van der Laet (Year 11B), for representing us in this enriching experience.

### Save the date: Year 8 Drama Festival

On Thursday, May 28th, the Year 8 students will be presenting their plays at 10:30 am in the Auditorium. Parents, friends and relatives are welcome to join us.
