BSCR NEWS - EARLY YEARS & PRIMARY

Journey - A collaboratively created story

We are delighted to share with our Learning Community the collaboratively created story that our students from EY3 to Year 5 created during Book Week. Journey is a wordless book which our Early Years and Primary students added the text to. We hope that you enjoy it! [Journey](#)

BSCR NEWS - EARLY YEARS & PRIMARY

Chepe Se Baña - Escuela de Arte Heroes

Over the last 3 weeks, our Year 4 students have been supporting a worthy cause in the form of Chepe Se Baña - Escuela de Arte Heroes. This organisation supports rough sleepers in San Jose by offering them food, a place to wash and free workshops and classes. Our students, through their Super Hero Day back in April, as well as through fundraising activities, purchased food and products which have been taken each week. Most importantly, they personally prepared sandwiches and snacks to take and share with the people who attend the Art School and spent time interacting with them and undertaking a range of fun activities. We are incredibly proud of their efforts as they have demonstrated the school values of Respect and Responsibility, with a large dose of Kindness as well! A big thank you to all parents who supported this cause and those who accompanied each class during the weekly visits.

BSCR NEWS - SECONDARY

Visit to San José

Last Monday, May 25th, we went with the 11NB students on our field trip to San José. Among other places, we visited the Teatro Nacional and the Asamblea Legislativa to fulfill part of the MEP evaluation content for Social Studies and Civics.
