BSCR NEWS - GENERAL

No Change to School Day in 2027

Thank you to all members of our community who provided us with feedback about potentially making a change to our daily schedule next year. After analysing all of the feedback that was provided, we have determined that the daily schedule will remain the same as it currently is in 2027.

BSCR NEWS - EARLY YEARS & PRIMARY

Maths Success

Congratulations to Federico Carvajal (Year 5) on finishing 4th in Costa Rica in the Mental Math World Cup. He will now go on to participate in the Grand Final.

Year 2B Assembly

On National Parks Day, Year 2B led the school assembly dedicated to celebrating Costa Rica's extraordinary natural heritage. Through a presentation and a catchy song, the children highlighted the vital role our national parks play in protecting unique ecosystems and biodiversity, reminding the entire school community of our shared responsibility to preserve Costa Rica's rich environment for future generations.

Year 5 Bake Sale

Over the last few days Year 5 students have held a Bake Sale in order to support the Children's Hospital as part of their Service Learning Project. All funds collected will be used to buy materials and resources which will in turn be donated to the hospital. Thank you to everyone for your support with this initiative.

Visit to the cinema

Our Year 7 students recently enjoyed an out-of-classroom learning experience with a field trip to the cinema to enjoy *The Odyssey*. Connected directly to our ancient civilizations unit in Social Studies, this pedagogical field trip gave students a fun, interactive way to deepen their understanding. The activity proved to be a resounding success, highlighted by the exceptional enthusiasm and strong academic takeaway of everyone involved.

SDS Virtual Workshop

"The Art of Letting Go with Confidence: How to Be Present, Without Being Intrusive, When Our Children Need Us Most": We cordially invite all parents to this session, which will be led by psychologist Jorge Sánchez from our School's Student Development Team (SDS). The workshop will be held virtually on Thursday, September 10th from 8:30 a.m. to 9:30 a.m. at the following link: [Workshop: El arte de soltar con confianza](#).

Although it is specifically aimed at parents of students in Years 9 through 12, it is open to all families who wish to gain strategies and tools to support their children during this stage. It is designed as a support resource to guide our children through this new life stage, marked by major decisions about their future and the challenges of finishing high school and transitioning to university. The session will also cover socio-emotional support topics, such as learning tools to prepare them for future stages, including empathy, inclusion, and positive interpersonal relationships. We look forward to your presence and to sharing this space for reflection and learning.
