BSCR NEWS - GENERAL

Last Week of Classes

This week our Year 11NB and Year 12 generations celebrated their last week of classes with a range of activities - please see our social media pages for details. We now wish both of our generations the very best of luck with their final examinations, which begin next week!

BSCR NEWS - EARLY YEARS & PRIMARY

Year 3 Service Learning

Year 3 were delighted to receive a visit from Andrea Quiros, Tour Coordinator, from Toucan Rescue Ranch. As part of their Service Learning project, Andrea provided background information to the students about what the ranch does for animals, as well as explaining how the Year 3 generation are going to help her and her team. It is going to be an exciting few weeks ahead!

BSCR NEWS - EARLY YEARS & PRIMARY

Judo Champion

We are extremely proud to celebrate the fantastic achievement of one of our Early Years 3 students, Hanna Mercado. Over the weekend, she competed in the VIII International Judo Championship held at the Gimnasio Nacional de la Sabana. Demonstrating incredible focus and determination, Hanna finished first in her category - a truly outstanding accomplishment!

BSCR NEWS - SECONDARY

Hormonal Health and Wellbeing: Understanding Periods.

Year 6 students took part in a workshop exploring menstruation, tackling common misconceptions and building a better understanding of the physical and emotional changes associated with puberty. The session provided a supportive space for students to ask questions, develop confidence and learn how to approach this important aspect of health with knowledge and respect. Thank you to Monica Arias for this opportunity.

Year 11 CAS Experience

A group of Year 11 students have begun exchanging emails with students from Jerudong International School (JIS) in Brunei. We know how much students value making genuine connections with peers around the world, and this exchange offers a wonderful opportunity for students to share their experiences, learn about different cultures and gain insight into life in Southeast Asia. Through these conversations, we hope to foster curiosity, understanding and a greater appreciation of the perspectives and experiences that connect us across borders.

Year 11 and Year 12 'Celebrating CAS' event

On Wednesday afternoon Year 11 and 12 IB students shared pizza, competed in an IB trivia competition and carried out a question and answer activity with Year 12 passing on their knowledge and experience to help our Year 11 students thrive in the final year of IB. Please keep an eye out for our special edition CAS newsletter celebrating our students' learning and their positive impact in our community and beyond.
